

## End Polio Now

February 2024

Dear District PolioPlus Subcommittee Chair 2023-24.

Copy sent to District Governor and District Rotary Foundation chair.

Rotary International President Gordon McInally have asked Districts Governor at the International Assembly to ask each club to support PolioPlus Fund by 1.500 USD for Rotary Year 2023-24

Some clubs run fantastic event to raise for polio eradication. Other clubs may have some issues....

A great way to support the PolioPlus Fund and for clubs to reach the goal of 1.500 USD per club is to establish a **PolioPlus Society** either for the whole district, smaller area of the district or in the club.

If you already have set up a **PolioPlus Society** in your district or you know of some clubs in your district who have PolioPlus Society – please let me know as I will be happy to hear from you.

**PolioPlus Society** is a Club and District-led program with its own recognition based on a commitment of recurring donation to PolioPlus Fund usually by 100 USD annually until Polio is eradicated. The Club or District decides the amount of recurring donation to be a member of PolioPlus Society if 100 USD is not a proper amount. All donations to PolioPlus fund are matched 1:2 by Bill and Melinda Gates Foundation so your 100 USD becomes 300 USD.

If you support personally and have signed up at [www.rotary.org](http://www.rotary.org) for your donation, you also get Paul Harris Fellow Point.

The Club or District can provide the **PolioPlus Society** member with a certificate and a special PolioPlus Society pin who tells that you are supporting Rotary's humanitarian first priority Eradicating Polio.

Wear your pin and ask your friends, family, and colleagues to be a part of the History as well.

If you want to start a **PolioPlus Society** in your Club or District – go ahead and you can use the upcoming Immunization Week 24<sup>th</sup> to 30<sup>th</sup> April to arrange a meeting with focus on Polio and ask the participants to join the **PolioPlus Society**.

You can find more information and materials at <https://endpolio.org/resource-center>

Do not hesitate to ask me for any questions.

I wish you good luck and look forward to hearing from you when you have started a PolioPlus Society.

Yours in Rotary
